A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Edna Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight.

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

The Temple had the biggest crowd of the week last night—it is not on record that anybody was turned away, but all seats were taken and many had to take their turn. The second installment of "Runaway June," with other good pictures, was presented, and the Dixie Amusement Co. gave its usual extra-amusing program. This company will be at the Temple tonight and will close its engagement Monday night. It certainly has the knack of interesting the people. Messrs. McGary and Hadley are artists in the amusement line, and Mrs. McGary's pretty songs have charmed the audience every evening.

He also agreed with the Star that it was impracticable to take out the cage with its cells, as any man with a tool which could be passed in thru one of the windows could easily pick his way out.

WHAT OCALA WANTS

A Statement from One of Our Well-Known Citizens
Stop right here—this is the proof you've been seeking. Mr. Ashley, a well-known Ocala citizen, gladly states his opinion of Doan's Kidney Pills for the benefit of his fellow townsmen. His story is one you can easily investigate. Read it.

They soon relieved me of backache and disordered kidneys. I think if taken as directed, Doan's Kidney Pills, will cure most any ordinary case of kidney complaint and I don't hesitate giving my name praising them."

WEAVER'S GOOD WORK

Brooksville People Approved of his Talk for the Florida Marketing Bureau

Brooksville Argus: As stated in our last issue, Dr. R. T. Weaver, of Ocala, representing the Florida Marketing Bureau, spoke to the farmers in the court house last Saturday afternoon at 1:30 o'clock. A full attendance of farmers were present and heard the remarks of Dr. Weaver. He spoke at length on the working order of the bureau and what it was accomplishing for the farmers of the state. In the course of his talk Dr. Weaver stated that the orders for farm produce have been far greater than the supply and that a good average was being obtained for the produce shipped through the bureau. Many useful points were touched by the speaker which will result in much good for the farmers. The Marketing Bureau is established to sell and exchange everything that the farmers produce, with the exception of citrus fruits and is proving of much good to the tillers of the soil in Florida. An effort is being made to get a large membership and this effort is meeting with success through out the state.

COURAGE IS COMMON IN THIS WAR

London, Jan. 30.—Every Englishman knows how to die bravely. The Irish, Scotch and English soldiers face the bayonets, the machine guns as though out on dress parade. It is the men who sicken and die in the trenches, or at home after an arduous campaign that our sympathy goes out to most. There are thousands of such men behind the battle lines who went to the front without the strong constitution and good pure blood to withstand the deprivations, the hardships of the campaign in Belgium and France. It's a warning that we should pay strict attention to our stomach, liver and blood. If one is all out of sorts he should take an invigorating tonic and alternative such as Dr. Pierce's Golden Medical Discovery which cures diseases of the stomach and organs of digestion and nutrition. It eliminates from the blood disease breeding poisons. It makes the blood rich and pure, and furnishes a foundation for sound, physical health. Fifty years ago, Dr. Pierce, of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., found that certain barks and roots manufactured by using glycerine without the use of alcohol or opiates, made into a concentrated extract, which he called Dr. Pierce's Golden Medical Discovery, made a stimulating tonic for the simulation of the food and eradicated and dispelled poisons from the blood. This is nature's cure for indigestion, and by correcting the stomach, and thereby feeding the blood on pure materials, the red blood corpuscles are increased and the body established in a healthy state. No one suffers from catarrh who has plenty of red blood corpuscles, and a good digestion. Catarrh in all its forms is a stagnation of the blood. Introduce pure red blood into the system by taking the "Medical Discovery" and health is assured.—Adv. 3

A CURE FOR SOUR STOMACH

Mrs. Wm. M. Thompson, of Battle Creek, Mich., writes: "I have been troubled with indigestion, sour stomach and bad breath. After taking two bottles of Chamberlain's Tablets I am well. These tablets are splendid—none better." For sale by all dealers.—Adv.
